## Kasavubu Seeks To Gain Upper Hand Via Radio

Congolese Minister Pleads for Aid From Western Powers

LEOPOLDVILLE, the Congo (AP)—The United Nations relaxed its restrictions on airports and broadcasting in the Congo today and President Joseph Kasavubu sought quickly to gain the upper hand via the radio.

Congolese soldiers loyal to the stocky, usually phlegmatic Congo president surrounded the Leopoldville radio station shortly after the U. N. ban on political broadcasts was lifted.

The radio station had been Premier Patrice Lumumba's first objective after he was released from a brief internment Monday.

### Broadcasts First Appeal

Jean Bolikango, designated as minister of information in the Kasavubu-approved Cabinet of Joseph Ileo, broadcast his first appeal to the Congolese.

Bolikango promised an all-out effort to find medicine and food for the masses. He announced that Kasavubu has signed new arrest warrants for Lumumba and six of his ministers.

Lumumba was deposed officially as premier eight days ago, by Kasavubu order, but has held onto the job. Bolikango said today Lumumba "is in hiding but we will find him for the good of the country."

U. N. soldiers had been withdrawn from the radio station and white-helmeted troops supporting Kasavubu put their own machine guns into position outside the building.

### Pleads For West's Help

Shortly after his broadcast, Bolikango was driven under an escort to the Memline Hotel. Before some 40 newsmen, he pleaded for the West's help for the chaotic Congo.

"Independence has brought misery, terror and fear to the Congo," Bolikango said. "We don't want our people to tell you we had clamored for independence to create starvation."

Police with bayoneted rifles guarded the entrance to the hotel as Bolikango, leader of the Puna party, spoke in fluent French.

While stating that Ileo's government will not seek vengeance, Bolikango said Lumumba and others "will have to account for their acts."

Bolikango himself was arrested by Lumumba about 10 days ago on charges of plotting to assassinate Lumumba. Loyal soldiers fired Bolikango from prison.

The best available explanation of Lumumba's release from arrest Monday was that he had convinced his army captors that he already had resigned as premier.

## Citizens Unit To Promote Charter Plan

"Citizens for City Charter" was organized Monday night at a meeting at the Lape Hotel to assist in explaining the Salem City Charter proposal which will appear on the ballot Nov. 8.

Jack Rance and Mrs. Ewing Farrington were named co-chairmen of the group.

A discussion of city charter issues was led by N.G. Briggs, Ray Rosenbloom and William Keen, former member of the proposed Massillon charter commission.

The following local committees were appointed by the co-chairmen:

Finance, Norman Eckfeld, chairman, Warren Baird, James Aldom, F. W. Koenreich, William Steffel, and Carl Abe; publicity, Mrs. Thomas R. Howett and Richard Colburn; Education, Mrs. Farrington, chairman, Jack Rance, Michael Schuller, Guy Mauro, Harold Astley, and Lowell Fields; speaker's bureau, Bryce Kendall, chairman, Tom Coe, Mr. Koenreich, Don Beeler, Lozier Caplan, Guy Mauro, Mrs. Howett, Mrs. Dorothy McKibben; special events, Tom Coe, chairman, Ford Joseph, Jr., and Wes Houser.

Mrs. McKibben will act as secretary of Citizens for City Charter. Additional committee appointments will be made later according to the co-chairmen.

The next meeting of the group will be held at 8 p. m. next Monday in the Bliss Company shop conference room.

The judge heard 113 criminal and 46 civil cases during the month.

DONNA — A LADY WHO'LL BE REMEMBERED — After the storm comes the accounting of damage—and furious activity. Hurricane Donna threw Florida and the whole eastern coast into a

perilous adventure which will not soon be forgotten. Residents of Miami Beach, above, typify the aftermath of her visit as they dig their cars out of sand. Trees, buildings and property were victims.

## Kennedy Jousts With Clergy

Says Faith Wouldn't Influence His Policies

WITH KENNEDY IN TEXAS (AP)—Sen. John F. Kennedy pushed confidently ahead today with efforts to convince Protestant Texas—and with it other fundamentalist religious areas—that his Catholicism as president, his election as president, would not bar his Catholicism as president.

The Democratic presidential nominee scored what he and his associates regarded as a ten-point victory in a question and answer period with about 500 members of the Houston Ministerial Association Monday night.

In a dramatic televised half-hour and a subsequent extended question period, Kennedy said in a broad-ranging discussion he supports separation of church and state so strongly that if elected he would resign the presidency should its duties conflict with the tenets of his faith.

He insisted this never could happen. And he fielded a series of prepared questions which seemed to be designed to show that no matter what statements he might make, his church would influence his course in office.

Speaker of the House Sam Rayburn, D-Tex., who is lending his personal support to Kennedy by traveling with the nominee in his intensive swing through Texas, summed up the reaction to this unusual campaign show.

"As we say in my part of Texas, he ate 'em blood raw," said Rayburn who describes himself as a "hard shell" Baptist.

Kennedy said he regarded the result of his verbal joust with the Protestant clergy as satisfactory. He complimented the ministers for applauding some of his answers. He said he thought most of the questions fired at him were politely put.

When he touched down at Austin Monday night, Kennedy told a cheering airport crowd he thinks he has made some political hay in the state.

## Japan Invites Ike To Visit Nation

WASHINGTON (AP)—Japan has formally invited President Eisenhower to complete his goodwill visit there, either before or after he leaves the White House next January.

Authoritative sources made this known today after Japanese Foreign Minister Zenaro Kosaka delivered a personal message from Prime Minister Hayato Ikeda to the President.

High sources said it appeared most likely that Eisenhower would accept the invitation sometime after Jan. 20 when he steps out of office.

## 5,000 Give Huzzahs to Lodge

## Ohio GOP Platform Reflects Strong Opposition to DiSalle

COLUMBUS, Ohio (AP)—Ohio Republicans, in convention assembled, have left no doubt they're dizzy about Dick and mad at Mike.

Some 5,000 strong, they gave loud huzzahs Monday to Henry Cabot Lodge, the running mate of GOP presidential nominee Richard M. Nixon, and they adopted a platform that reflected strong opposition to the policies of Democratic Gov. Michael V. DiSalle.

State political conventions in Ohio have served little practical purpose for many years — ever since the direct primary election system was inaugurated to nominate party candidates. They now serve only the dual purpose of permitting adoption of platforms and giving big audiences for political oratory.

### Will Back Kennedy, DiSalle

So no one will lose a dime if he bets that the Democratic state convention next Friday and Saturday will back Sen. John F. Kennedy for president and vow that DiSalle is a statesman.

## Lower Resigns As Lisbon Council Head

LISBON—Robert Lower resigned as president of Village Council when that group met Monday night at Village Hall.

Lower's action was necessitated because he moved to Columbiana last Friday. The resignation was accepted by Mayor Dean Stockman.

Council has 30 days in which to name a new councilman. If the group neglects to do so, the duty falls upon the mayor.

Councilman Fred Steele presented a petition on behalf of 35 residents who reside on, or use, Pendleton St., asking that it be resurfaced. The petition stated the street was torn up in 1958 and has not been repaired. Mayor Stockman said the village is trying to make arrangements with the county to resurface the street.

Leonard Toot and Charles Allison asked Council to vacate an alley entering on Vine St. opposite the library and running west behind a service station. Council said it had no authority to act, but the men could plant it in grass or set posts at the entrance and exit.

The third reading of the ordinance granting a 7.8 per cent increase in gas rates was tabled until the next meeting. The measure received its first reading May 23.

All Council members were present except Joseph Dornon. Council will revert to its schedule of two meetings a month with its next meeting set for Sept. 26.

## One of Seven Still at Large

## Four Prisoner Escapees Nabbed Near Canton

MARION, Ohio (AP)—Four of the seven prisoners who took part in Sunday's mass escape from the Marion Correctional Institute were caught near Canton early today, leaving only one at large.

One was picked up Monday in the Marion area and another Monday night in Wood County.

Still at large is Edgar Chism, 21, of Newark.

Captured just south of Canton were Robert L. Grover, 33, of New Philadelphia; Nathan Argento, 27, of Cleveland; Paul D. Wilkins, 25, of Ironton; and Calvin Samples 26 of Canton.

None was armed or offered any resistance the Stark County sheriff's office said.

Picked up by Sandusky County sheriff's deputies Monday night was Lynn Biddle, 25, of Helena. Sheriff Fred A. Paul said Biddle was arrested at Bradner, Wood County, just across the Sandusky County line. He was in a car stolen in Marion and officers had been alerted to watch for him.

Nabbed earlier in the Marion area was Louis Brown, 26, of Bloomville, Seneca County.

The Stark County sheriff's office said Grover, Argento, Wilkins and Samples were spotted Monday night in a tavern just outside Canton. At least two—Samples and Wilkins—had prison dungarees on, and a call from the tavern put deputies on the trail.

But when a sheriff's car pulled up to the tavern, all four fled on foot, leaving behind a pickup truck possibly stolen at Orrville, deputies said.

Deputies Frank Pyles and Al Rossett later spotted Grover and

The party faithful in the convention hall showed by almost continuous applause that they appreciated the olive-branch treatment. They cheered again when Lodge praised the man who introduced him, the former Ohio governor and senator, John W. Bricker.

But the back-patting came to an abrupt halt when Ohio Democrats and their doings came up for discussion in the platform. Referring to the record of Gov. DiSalle, the platform asserts:

"Under the present Democratic administration the cost of state government has been increased without rendering improved public service, taxes have been increased beyond the need for revenue, the highway construction program has fallen behind schedule and reclassification of state jobs has been used to secure political patronage."

For the Democratic-dominated 1959 legislature which followed DiSalle's lead in most important matters, the Republicans had even more unkind words:

## Public School Registration Gains

## Technical School Signs Up 53 Here

The Salem School of Technology has enrolled 53 boys for the 1960-61 year, according to a report to the Salem Board of Education from Holland Cameron, school director.

The report, turned over to the board last night, shows that 40 are currently involved in the cooperative phase of the school while the other 13 are to be assigned as

positions in industry become available.

Communities which have industries participating and the number of industries are Salem, 8; Leetonia, 2; Sebring, 2; Alliance, 5; Youngstown 1, and Warren, 1.

The student enrollment by cities and towns is Salem 20, Warren 4, Columbiana 3, Massillon 3, Winona 3, Damascus 2, East Liverpool 2, Leetonia 2, and one each from Jewett, Beloit, Kensington, Leavittsburg, Lisbon, Midland Pa., Mineral Ridge, Negley, New Milford, New Philadelphia, New Waterford, North Jackson, North Lima and Salineville.

Cameron said he currently has 20 job positions in 16 industries.

At last night's meeting the board hired three instructors who will work the school. They are Rudolf Maroscher, Joseph Wendall and Forrest Lowry.

### In the Black, Temporarily

Receipt of \$158,000 in tax distributions put the school district's finances back in the black, Wallace King, board clerk, said, however, that he expects the board will have to borrow again before the end of the year being as future receipts probably will not arrive before the final payrolls.

He said the board can expect about \$254,000 in personal property taxes and another quarterly payment on the State Foundation program. The last quarter receipt was \$66,845.

### School Enrollment Up

Enrollment in the various schools in the system were up about 130 from a year ago, Superintendent Paul Smith reported.

In the High School there are 693 enrolled with 259 in grade 10; 222 in Grade 11 and 217 in Grade 12. In the Junior High, the total enrollment is 834 with 266 in Grade 7; 309 in Grade 8 and 259 in Grade 9.

In the elementary and kindergarten classes, 2,136 are enrolled. By school, the enrollment shows Prospect with 344, Fourth Street 325, Buckeye, 205, McKinley 365, and Reilly 637.

More bids for coal supplies are being sought by the board. It was indicated at last night's meeting that only two bids have been received to date.

Hired by the board last night were Mrs. Isabelle Stratton as a library assistant, Mrs. Vincent Malloy as secretary to Attendance Officer Deane Phillips, Ronald Guchemard and Lyman Miller as janitorial helpers, and Mrs. Lena Althouse as head cook at the Junior High School.

Resignations accepted included those of Twilio Sauerwein as assistant janitor at McKinley School and Mrs. Esther Moffett as secretary to Mr. Phillips. Both have found other employment.

Renal of the high school gymnasium to the Salem Junior Chamber of Commerce for a night late this year was tentatively approved

## Blood Collection Tops Goal In Lisbon

LISBON — For the second time within six months, residents of Lisbon and vicinity Monday gave 131 pints of blood to the Red Cross Bloodmobile stationed at the American Legion Home. The goal was 125 pints.

The blood is credited to the blood banks at Salem City Hospital and Salem Central Clinic and is available to area patients.

Twenty-seven donors gave blood Monday for the first time. At the previous visit 22 new donors appeared, according to Mrs. Ed Kauffman who is in charge of securing donors.

## 20 Fatalities Occur In U.S.; Scores Missing

Florida Designated Disaster Area as Hurricane Subsides

BOSTON (AP)—Hurricane Donna went into history today after a relentless march up the Atlantic Coast which spread terror, death and destruction from the Leeward Islands to Maine.

The grim toll stood at 135 known dead, scores missing, thousands homeless and property damage likely in excess of a billion dollars—with Florida damage alone estimated at nearly a billion dollars. Twenty of the deaths were in the United States.

Donna headed out of the United States Monday night, moving on a north-northeasterly course out of Maine toward the Maritime provinces. The U. S. Weather Bureau at Boston said Donna had lost her hurricane winds and forecast further decrease in intensity.

### Raked Atlantic Seaboard

The hurricane, born in the Caribbean sea over a week ago, bulged with 135 m.p.h. winds as it raked the Leeward Islands, Puerto Rico, Cuba, Florida and the Atlantic seaboard to New England.

President Eisenhower designated sections of Florida a major disaster area. Gov. Leroy Collins informed the President that the Florida keys, the central part of the state and coastal regions, had sustained extensive damage.

When Donna roared ashore near Bridgeport, Conn., Monday afternoon, she quickly lost intensity and by early evening had become just a slashing, wind-whipped rain storm. The wind velocity dropped quickly to about 75 m. p. h., although Blue Hill observatory near Boston reported gusts to 140 m. p. h.

## Nikita Raps Action Limiting His Movements

LONDON (AP)—Soviet Premier Nikita Khrushchev, steaming across the choppy Atlantic for the U.N. General Assembly, fired off the message today that he doesn't think much of the U.S. decision to limit him to the island of Manhattan.

It is "not a reasonable decision," he messaged the London Daily Express from his ship. The paper had asked for comment on the U.S. decision announced Sunday.

Furthermore, Khrushchev said, the restriction was not conducive to better understanding between the United States and the Soviet Union. He also indicated U.S. government officials did not want to settle questions to be considered by the U.N. body.

The stocky chief of the Soviet Union, accompanied by top brass from five Communist satellites and republics, is due in New York aboard the Soviet ship Baltika Sept. 19.

The Soviet news agency Tass said Khrushchev was receiving messages from numerous persons in the United States asking for a chance to meet him. The agency said messages were coming in from newspapers, radio and TV stations asking questions about the coming assembly session and "other international problems."

The Khrushchev party was about 300 miles out in the Atlantic in the 8,000-ton Soviet motor vessel. The ship was traveling alone. Khrushchev dismissed his two escort destroyers Monday night.

## U.N. Recesses Open Sessions

### Congo Confusion Prompts Action

UNITED NATIONS, N.Y. (AP) — Balked by continuing confusion in the Congo, the U.N. Security Council has recessed open sessions and members huddled in private talks today trying to find some solution.

The confusion over who is running the Congo was amplified by the withdrawal of United Arab Republic troops from the U.N. force in the Congo and the arrival of contesting Congo delegations here.

The council went into a brief session Monday afternoon as the situation was getting more involved, and U.S. delegate James J. Wadsworth moved quickly for adjournment.

He explained afterward, "There is not much point in talking until you have a sound basis of information on which to speak."

The Soviet delegate, Deputy Foreign Minister Valerian A. Zorin, tried to get an urgent night meeting but Council President Egidio Ortona of Italy, after conferring with other members, decided the meeting would be of little use.

The rival factions in the Congo government each sent delegations. One faction headed by Foreign Minister Justin Bomboko represented President Joseph Kasavubu. The other group headed by Thomas Kanza, the Congo's delegate-designate to the U.N., represents Premier Patrice Lumumba.

It was too soon to see clearly what the U.A.R. withdrawal will mean. President Gamal Abdel Nasser sent about 500 paratroopers to the Congo two weeks ago. A.U.A.R. spokesman in Cairo accused the U.N. of violating the Congo's sovereignty by taking over Congolese airports and radio broadcasting stations.

Cairo's Middle East News Agency said the U.A.R. and East African Sudanese troops turned control of Leopoldville airport over to 200 Congolese soldiers.

The U.N. said, however, that the two platoons of Congolese had voluntarily placed themselves under the command of U.N. forces at the airport. The airport was said to remain under the full control of a Sudanese colonel.

### Mahoning Advisory Committee To Meet

The fall meeting of the Mahoning County Extension Advisory Committee will be held at 8 p.m. Monday, Sept. 19, in the County Extension Office, W. Main St., in Canfield.

Business will include a report by Mrs. Garland Crumbacher of Beaver Township regarding the state extension advisory committee meeting which she attended during August, and consideration of the 1961 program.

## Girl Scout Council to Hold Founder's Day Observance

Salem Council of Girl Scouts will observe Founder's Day with a dinner meeting Oct. 31 at 6:30 p.m. in the Memorial Building. In addition to all adults presently registered in the scouting program, all past members of the Council will be invited to attend.

Plans for the event were announced at a recent meeting of the Council's board members in the Memorial Building by Mrs. James Wright, public relations chairman, Mrs. Amil Cosma, president of the board, presided. It was agreed that future board meetings will be held the first Thursday of the month at 7 p.m. in the Memorial Building. Two new board members at large, Mrs. Robert Lucas and Mrs. Homer Lau, will be welcomed at the Oct. 6 meeting.

Mrs. F. S. Barckhoff Jr., program chairman, has called a meeting of the adult program committee for Sept. 21 at 7:15 p.m. in the Memorial Building. It was announced that in the future, all curved bars, highest achievement award in Girl Scouting, will be approved and presented by the program chairman.

The National Girl Scout Round-up will be in the summer of 1962 at Button Bay, Vt. Mrs. Raymond Stiver will be director of the local Girl Scout chorus, which this year will be open to all intermediate and senior Girl Scouts.

Leaders are needed for the local scouting program. Those interested in devoting their time to become volunteer leaders will be given special training. Appointments may be made by calling Mrs. Carl Smith at the Girl Scout Office, ED 7-6413.

Reports were given by Mrs. Wright and Mrs. Jon Zeigler who attended Edith Macy Training School in New York this past summer. Mrs. Wright is now conducting a course in wilderness training for all senior and pre-senior scouts, using information obtained in classes she attended in New York.

It was reported that 499 Intermediate and Brownie Scouts attended Camp Merrydale this past season, in addition to 56 camp

aides and 70 adults. Fifty-two senior Scouts and seven adults attended a camporee in West Virginia in July.

Twelve new tents were purchased for Camp Merrydale by the Council, and the Leaders Association provided a tarpaulin for the use of pioneer campers and also some equipment for the inside kitchen at Camp Merrydale.

## Obnoxious Remarks

By HAL BOYLE

NEW YORK (AP) — Remarks that mayors get tired of hearing: "I'm a taxpayer. I gotta right to be heard."

"Your Honor, the delegation from the Teachers' Union is here again."

"I know you like to spend Sundays with your family, Jim, but the boys from the Sanitation Department want you to umpire the baseball game at their annual picnic—and you know they swing a lot of votes."

"Why should I call him 'Your Honor' when I know he's a big bum?"

"The Budget Department is working on the yearly report of the city's financial situation. Will you sign this requisition for five more gallons of red ink?"

"The slum landlords have named you citizen-of-the-year, Jim, but I'm afraid this could be a hot potato politically."

"Your Honor, the delegation from the League for Better Government is here again."

"Jim, the voluntary contributions among city employees to raise a fund to have your portrait painted and hung in City Hall are coming in slow. So far the total comes to \$3.17 — and two bus transfers."

"Judge Zilch is on the phone. He says to tell your neighbor to forget about that parking ticket, but he wants to know if anything's being done to hurry his own son-in-law's appointment as a housing inspector."

"The boys in the Ward are kicking up another row. They don't like the idea of that last paving contract going to an out-of-town firm."

"Maybe that rigid economy pro-

gram would appeal to the voters more. Jim, if you parked your limousine in a garage for a while and drove around town in a jeep."

"Did you see the morning newspapers? The cops raised a love nest and arrested the biggest contributor to you last campaign. Perhaps now is as good a time as any to take that vacation you were planning."

"Another tough schedule this week, Your Honor. Let's see—there's four cornerstone layings, two supermarket openings, a hospital dedication, seven banquets, and a poker game with the magistrates."

"Jim, the report is in on our secret poll to sound out public sentiment on having you run for governor. Frankly, there is no such sentiment."

The Inner Universe: Article One

# Science Explores the Invisible

**EDITOR'S NOTE:** While some scientists have set pioneering sights on the stars, others are probing a different universe — the strange, infinitesimal world of the atom. And they are uncovering secrets that could lead to new power sources, new disease controls and even new forms of matter itself.

By ALTON BLAKESLEE  
Associated Press Science Writer

Scientists in brilliant explorations are coaxing out secrets of the inner universe.

This is the universe of the atom — invisible, so tiny, so empty it is almost nothing. Yet it is everything.

The quest to understand it engages many of the world's keenest brains, ingenious instruments and some of the largest machines on earth. And cores of millions of tax dollars each year.

Due to all this effort, scientists in effect are peeling the atom as you might peel an onion.

They find tinier wheels whirling within tiny wheels.

Smashing atoms into smithereens they discover 30 bits and pieces can come flying out. Many disappear within millionths or hundredths of millionths of a second.

The great goal is to understand the true nature of the puzzling heart of atoms and where this fits into the great scheme of nature. That can mean understanding the entire immense universe. It can tell us what we are.

For atoms make up everything in the universe — the stars, the flesh and brain cells of humans, houses, clothes, the air we breathe, the ink with which this is written. The ink to form one single letter contains billions of atoms.

Cracking the riddle of the atom's nucleus might bring dazzling dividends. Perhaps unexpected new sources of power. Perhaps the means to create new kinds of matter. Perhaps astonishing controls over disease.

**BUT PHYSICISTS** promise nothing. Their thirst is purely to understand this immense, fundamental secret of nature.

It is pure, basic research. But basic research has led to some of man's greatest technological advances, including atomic energy, transistors, drugs and vaccines.

Basic research is the reason for building dozens of powerful atom-smashers or "particle accelerators."

The world's most powerful machine — half-a-mile around and costing 31 million dollars — just started operating at Brookhaven National Laboratory, Upton, N.Y. Physicists plan more, and some times costlier, machines.

They gleefully announce discovery of the anti-proton or a particle called sigma zero. They talk of a curious "zoo" of nuclear particles detected within or coming from the cores of atoms. They ponder the meaning.

Is this all beyond the understanding of the average citizen?

By no means, at least in broad outline of this fascinating inner universe. As a caution, though, some of it may seem preposterous, but simply because it doesn't fit out usual concepts of common sense.

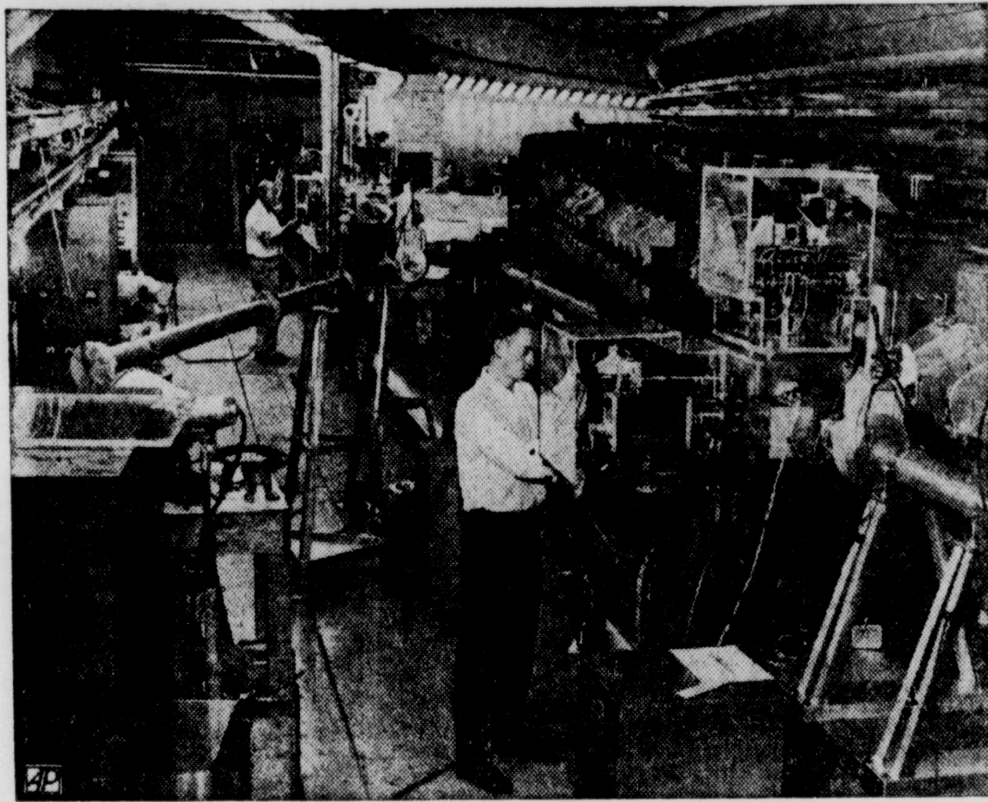

To begin, an atom is similar to a miniature solar system.

It has a nucleus (like a sun) with electrons (like planets) whirling about it. Electrons form the outer shell, giving the atom shape and form.

But there is only empty space between the electrons and nucleus, like the space between the earth and sun.

If the nucleus were the size of a baseball, the nearest electrons in various atoms might be half-a-mile to 20 miles away.

The nucleus represents virtually all the mass or weight of the

**BASIC RESEARCHERS** — Technicians man their posts on the atom smasher or "particle accelerator" at Brookhaven National Laboratory, Upton, N.Y. Such costly accelerators are probing the secrets of the inner universe, a basic research which, though seemingly aimless, could lead to new sources of power or controls over disease.

atom. Electrons are so lightweight they scarcely count.

**THE NUCLEUS** is so tightly packed that — if all the electrons were stripped away — all the nuclei of all the atoms on earth could form a ball only 400 feet across. Dr. Robert Hofstadter of Stanford University estimates. Yet this ball would weigh nearly as much as the earth.

The hearts of all the atoms in your body would amount to an infinitesimal speck. We and everything else are mostly empty space.

Thirty years ago, the nucleus was thought to consist of just two kind of pieces of matter — the proton and the neutron. Protons have a positive electric charge, the neutron no charge. Both weigh about the same. An atom as one circling electron, with a negative charge, for every proton in the core.

Atoms make up all the known 102 chemical elements.

Wonderfully, the only difference between an atom of gold and an atom of silver — or any other atom — is the total number of protons and neutrons in the core (with a circling electron for each proton).

The simplest atom, hydrogen, has just one proton and one electron. Oxygen has 16 protons and neutrons. Gold has 197, silver 107, explosive uranium has 235.

The nucleus is not altered when one atom joins another atom to form a molecule. Two atoms of hydrogen and one of oxygen form a molecule of water. But all they do is share electrons.

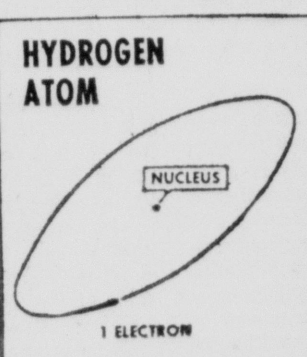

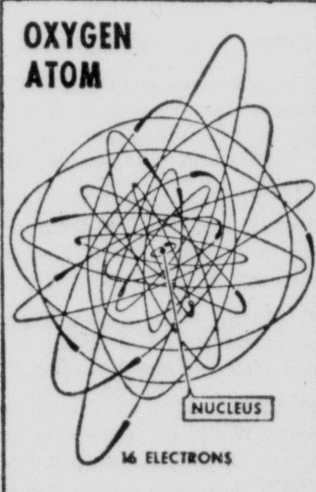

The stupendous energy of every atom is locked up in its nucleus.

It was this which was set free when scientists learned how to split atoms for bombs and for the peacetime atomic plants.

What happens is that part of the material in the nucleus is suddenly transformed into energy.

Even before World War II and the A-bomb, scientists had evidence and suspicions that the heart of the atom was far more wondrously organized than first suspected.

Brilliant deductions and theories and studies with cosmic rays and atom-smashers have borne them out and advanced the story.

**WONDERFUL DIFFERENCE** — An atom of hydrogen has but one electron revolving about its nucleus. An atom of oxygen has 16 — one for each proton in its nucleus. It's the only difference between them. And when two atoms of hydrogen and one atom of oxygen share electrons they make up a molecule of water.

## Fruit Growers to Convene Thursday

Eldon Banta, Ohio Extension Horticulturist, will discuss new methods of controlling or preventing apple scald at a meeting to be held at 8 p.m. Thursday at the Greenford Storage in Green Township.

Henry Ross, manager of the Salem Fruit Growers Association, which operates the Greenford Storage, will review plans for the 1960-61 season.

Howard Wells, manager of the Ohio Apple Institute, will discuss apple promotion programs. John Hackenbrach, manager of the Fruit Growers Marketing Association, will talk on the apple market and selling programs.

Cider and doughnuts will be served. All orchardmen and others interested in apple production and marketing are invited.

## Farmers to Discuss Corn Growing Problems

Corn producers concerned with plant populations, weed control and yields, will meet at 1 p.m. Tuesday, Sept. 20, at the Mahoning County Experiment Farm on Rt. 46 just south of Canfield.

During this event farmers will:

1. Review methods of counting plants per acre
2. Demonstrate ways to calculate yield per acre (on a uniform moisture basis)
3. Observe and discuss the experimental corn plots which include various row widths (including 20" rows), use of simazine or atrazine as pre-emergence weed control measures and minimum tillage work, announces William B. Phillips, county extension agent in agriculture.

## One New TB Case Reported In County

LISBON — One new case of tuberculosis in the county was reported to the State Health Department during August, according to a report of the board of trustees of the Columbiana County Tuberculosis Control Clinic.

Dr. J. L. Kravac of Youngstown, director, reported he gave 12 consultations during the month. The office gave 214 chest X-rays, during the month. Two patients were admitted to sanitariums and three were discharged.

Two staff nurses made 446 visits to patients receiving home treatment.

## Tranquilizer Side Effects Can Be Harmful

A survey by the National Prescription Audit indicates that the American public, in 1959, spent \$85,448,417 on tranquilizers.

Based on an average of \$4 per prescription, this figure suggests that some 24 million orders for these drugs were given by physicians. Conceivably, these orders were given to perhaps 10 million persons.

Now, of these prescribed tranquilizers, about half are members of the chemical family of phenothiazines.

**UNPLEASANT SIDE** reactions from this family of drugs, as reported by Dr. Frank J.J. Ayd Jr. (Psychosomatics, May 1960 pg. 143), include weakness, muscle fatigue, muscle aches and pains, disinterest, facial grimacing and distortions, pulling of neck muscles backward or to one side, difficulties in speech and breathing, awkwardness of gait, attacks in which the eyeballs stare or roll, restlessness, "jitters" and finally an imitation of the state of "shaking palsy" in which the patient becomes rigid, develops a "pill-rolling" tremor of hands and exhibits a mask-like facial expression.

## WOUNDED IN HUNTING MISHAP

PORTSMOUTH, Ohio (AP)—Charles Joseph Hanson, 15, of near Portsmouth was wounded in the face and neck Monday by a shotgun blast. Hanson was squirrel hunting on opening day when Albert Brown, 77, of near Portsmouth saw him move next to a tree, took him for a squirrel, and let fire. Hanson, hospitalized, was in fair condition.

Another squirrel hunting accident occurred in a woods near Circleville Monday when Jack W. Fischer of Columbus, also mistaken for a squirrel, was shot by Ross Skaggs of Circleville. The shotgun charge wounded him, not critically, in the face, neck and chest.

## County's Southern District to Get Aid

# Ohio Teachers to Get Wage Hikes If Budget Is Okayed

COLUMBUS, Ohio (AP)—Ohio's teachers are in line for salary boosts if the legislature approves the 1961-62 budget of the State Board of Education.

The budget, recommended by the board Monday, calls for an outlay of more than \$556 million to help operate and build Ohio's schools. That's about \$118 million more than was appropriated for schools in the current biennium, ending next June 30.

The biggest part of the increase—\$95 million—would go to the school foundation program to boost state aid to school districts.

A major portion of the added funds would be used to raise the average and minimum annual salaries of Ohio teachers.

For example, the board proposes to supplement a school district's funds so that it may pay as much as \$300 a year above the current average to teachers with up to four years of college training; or as much as \$400 above the average to teachers with bachelor of arts and master's degrees or five years of training.

Minimum salaries would go up \$300 and \$400, respectively in the two aforementioned categories.

The total budget recommended by the board comes to \$556,417,884. This compared with \$438,162,182 appropriated by the legislature for schools in the 1959-61 biennium.

Of the recommended total, \$20 million was proposed for the construction of new school buildings and \$5 million to rehabilitate and remodel existing buildings.

In the current biennium, only \$10 million was allocated for school construction and nothing set aside for renovation.

Of that \$10 million, \$4.7 million has already been committed. The board Monday voted to use up practically all of the remaining amount by allocating \$4,150,649 toward the construction of 10,710, 943 worth of classroom facilities in 13 counties.

The state aid will go to 14 priority districts in those counties. They are (in order of priority): Southern District (Perry County), Southern Columbiana - Clinton - Massie (Clinton), Eastern Pike, Fairland, Lawrence, Franklin City (Warren), Mapleton (Ashland), Reynoldsburg (Franklin), Aurora (Portage), Stow (Summit), Chesapeake Village (Lawrence), Northridge (Licking), New Carlisle-Bethel (Clark) and Allensville (Vinton).

vent loss of life and reduce property damage.

Thousands were evacuated from beach areas at Long Island, N.Y., Connecticut, Rhode Island and Massachusetts, as Donna rumbled toward the densely populated Northeast. Emergency measures were put into effect from Virginia to Maine.

New Englanders, recalling the murderous hurricane of 1938, considered themselves lucky as Donna blustered across the coastal sections of five of the six states. The winds and water snarled power and communication lines, smashed small boats at their moorings and felled countless trees.

The 1938 hurricane battered Connecticut, Rhode Island and southeastern Massachusetts, killing about 600 and causing some \$500 million in property damage.

## New York Hit By Donna

New York City was flanked by Donna on her northward course, virtually emptying the metropolis' busy streets with a combination of fierce winds and drenching rain. Schools were closed. Streets were turned into swirling, foamy rivers and the Hudson River spewed across the West Side Highway, one of Manhattan's busiest traffic arteries.

Between Florida and New England, the hurricane roared with terrifying fury, buffeting Virginia, Maryland, and North Carolina. Morehead City, N. C., was hit with particular force.

trepidation and some concern," he said. "I read Vice President Nixon's statements about what he was going to do in Texas. I thought they might carry it. But now I know they are not."

In an opening statement, the Democratic nominee told the Houston ministers bluntly that if a Catholic cannot be president because of his religion, then the freedoms of other churchmen are in danger.

"For while this year it may be a Catholic against whom the finger of suspicion is pointed, in other years, it has been and may be someday again a Jew, or a Quaker, or a Unitarian or a Baptist," he said. Nixon is a Quaker.

"I do not speak for my church on public matters—and the church does not speak for me," Kennedy said.

"I believe in an America that is officially neither Catholic, Protestant nor Jewish—where no public official either requests or accepts instructions on public policy from the Pope, the National Council of Churches or any other ecclesiastical source—where no religious body seeks to impose its will directly or indirectly upon the general populace or the public acts of its officials—and where religious liberty is so indivisible that an act against one church is treated as an act against all," Kennedy said.

"I want a chief executive whose public acts are responsible to all groups and obligated to none—who can attend any ceremony, service or dinner his office may appropriately require of him—and whose fulfillment of his presidential oath is not limited or conditioned by any religious oath, ritual or obligation."

## Alliance Woman Hurt As Car Flips

A 31-year-old Alliance woman was injured this morning when the car in which she was riding flipped end-over-end after leaving Alternate Rt. 14 three miles north of the Columbiana-Mahoning County line.

State Patrolmen said she was riding in a car, driven by Edwin F. Clapsaddle, 25, of RD 1, Alliance, which went out of control on a curve, slid into a ditch, and flipped over end over end landing on its top. The mishap occurred at 1:45 a.m.

Injured was Helen Rene, 31, of 623 E. Columbia St., Alliance, who suffered bruises of the left leg, cut of the nose and forehead and abrasions of the head. Clapsaddle was charged with reckless operation.

"The 103rd General Assembly, under Democrat majority control, exhibited a rowdy disregard for customs and orderly procedure, openly flouted the rules on several occasions and enacted some of the most vital legislation in hasty ill-considered action."

The platform-framers expressed hope of GOP control of the legislature which meets next January and predicted:

"The Republican majority of the General Assembly in 1961 will halt the trend toward unjustified spending and taxation, will continue its support of proper public programs, will end the legislative erosion of Ohio's economy which would bring losses to business volume and job opportunities and will restore responsibility and orderliness in the legislative process."

## Leetonia Girl Presides At 4-H Club Congress

LISBON—Miss Pat Converse of Leetonia RD 1 presided as mistress of ceremonies at the opening session of the 4-H Club Congress at Columbus over the weekend, according to Joseph Burger, county extension agent in 4-H work.

Don Watson of Salineville RD 1 and Miss Converse are also counselors. They are both students at Ohio State University.

Miss Audrey Harrold of Leetonia accompanied the Columbiana County members as chaperone, Burger said.

## Columbiana Man Hurt While Drilling Well

Edgar Bell, 45, of RD 2, Columbiana, suffered a head injury Monday when he was struck by a pipe while drilling a well.

The mishap occurred when he was hoisting the pipe and the chain broke, causing it to fall. He is reported in fair condition at Salem City Hospital.

In fairly good condition at the hospital today is Lena Williams, 76, of Rogers, who fractured her left knee in a fall at her home.

## HEALTH UNIT TO MEET

LISBON—The Columbiana County Mental Health Ass. will meet Wednesday noon at the Wick Hotel. President William Shoub of Wellsville will preside.

## Ford to Talk To Leetonia Club Tonight

LEETONIA — Arthur K. Ford of Salem will be the guest speaker when the Leetonia-Washingtonville Kiwanis meets this evening at the Methodist Church. Mr. Ford was a missionary in Africa for a number of years. He will speak on South Africa.

Plans have been made to entertain the teachers of the Leetonia School District Sept. 27. This will also be ladies night. A special program has been planned.

Five members of the local club attended the 19th Divisional meeting at East Liverpool last Thursday evening.

The Rev. T. P. Laughner is program chairman this week.

**RUTH BIBLE CLASS** of the Methodist Church will meet at the home of Mrs. Rosa Cox of Columbiana St. Thursday evening at 8 with Mrs. Vernon Walters and Mrs. Agnes Daugherty as associate hostesses. Mrs. Cox will have charge of devotions.

Miss Patricia Huffnagle left on Saturday for Akron where she will begin nurses training at St. Thomas Hospital. She was accompanied by her mother, Mrs. Merle Huffnagle, and sister, Miss Mary Huffnagle.

Mrs. Fred Spaholt of 430 Somerset St. will entertain the Proscilla Club of St. Paul's Lutheran Church at her home Thursday evening.

Mr. and Mrs. Carl Kennedy of Alliance spent Sunday with his sisters, Mr. and Mrs. Raymond Leonard and Mr. and Mrs. Ed Gotthardt.

Permission to use Reilly Field on Oct. 15 was granted the West Branch School District for a football game with North Lima. The contest will be a day game. West Branch has already received permission to use the stadium for its other home games.

Superintendent Smith reported that the enrollment at the Trades and Industries School is 264 with an expected increase to 364 when all classes get started.

## 5 Pay \$275 Fines At East Palestine

EAST PALESTINE — Five persons paid \$275 in fines, forfeitures and court costs in Judge Spalding's Eastern Division County Court on Saturday and Monday.

Stiffest penalty was meted Warren Rummel, 39, of RD 1, Columbiana, who was fined \$150 and costs for driving while intoxicated and \$25 and costs on a charge of driving left of center.

Others fined included Joseph Ferris, 31, of 371 South St., East Palestine, \$10 and costs, speeding; Charlie Dravis, 35, of RD 1 Rogers \$25 and costs, expired operator's license, and Leonard F. Shaffer, 33, of Box 117, Negley, \$50 and costs, false registration.

Forfeiting a \$15 bond on a charge of driving an unsafe vehicle was John Collins, 26, of RD 1, Rogers.

der and extend freedom throughout the world."

But Nixon also sounded another note to his audience in Texas, home of Sen. Lyndon B. Johnson, the Democratic vice-presidential nominee. It was a state's rights note that won him cheers that made it easily one of his best receptions.

The Democrats, he told them, have, by their 1960 platform, "forfeited the right to ask Democrats in this country to vote for them."

He accused his opponents of "turning to the federal government as the primary source of progress for the people."

Nixon did not mention the term "civil rights," but the crowd ate it up when he said he believes "in local government, in respect for and increasing the authority and the rights of the states, rather than in reducing the rights of the states and local government."

His Democratic opponents, the vice president declared, are out of step with the majority of Americans and with millions of Democrats "in this country and in the state of Texas."

Mrs. Roger Ziegler, Mrs. Arthur Shinn, Mrs. Perry Huffman and Mrs. Irvin Ziegler received gifts from their secret sisters.

The next meeting is Oct. 13 at the home of Mrs. Thomas Howell of RD 3, Salem.

A FAMILY NIGHT coverdsh dinner is planned for 6:15 p.m. Wednesday in Fellowship Hall of the First Methodist Church.

The Methodist Men's Club will furnish the beverages, rolls and butter.

The program will feature the Rev. and Mrs. William Snowball and family who will report on their trip to England.

BUNKER HILL Methodist Women's Society of Christian Service met recently in the church. The 16 members in attendance welcomed a guest, Mrs. Charles Moore.

"Re-examining the Purposes of the WSCS" was the topic of the program conducted by Mrs. Ralph Fotia. She was assisted by Mrs. Wells O'Hara, Mrs. Harry Thomas and Mr. Harley Jones. Theme for the 1960-61 year is "The Word in Our Midst."

Mrs. Frank Baird and Mrs. Ray Stanley were in charge of the worship service.

Refreshments were served by Mrs. Charles Venable and Mrs. Lee Greenamyer.

The Oct. 13 meeting will be in the church.

TH 14TH ANNUAL reunion of the John and Ella Althouse family was held Sunday at Mile Branch Grange. There were 73 in attendance.

The 1960 reunion will be held at the same time and place with the following officers in charge: President, Homer Althouse; vice president, Mrs. Arlan Fultz; and secretary-treasurer, Mrs. Michael Miller, all of Salem.

PAST NOBLE GRANDS Association of Home Rebekah Lodge met recently at the home of Mrs. Philip Rhodes of Fair Ave. Mrs. James Goodwin and Mrs. Walter Albaugh served as associate hostesses.

Mrs. Russell Walthman presided at the business session, after which a social time was enjoyed.

Mrs. Ola Shriver, Mrs. Edward Alexander, and Miss Phila Fields will be hostesses for the Oct. 13 meeting.

### Newport News Pastor At Bible Institute

The Rev. Albert Barrow of Newport News, Va., is guest speaker at revival services being held at the Salem Bible Institute, Woodsdale Road.

Services will be conducted each day at 8:45 a.m. and 7:30 p.m. now through Friday.

WOMEN DEMOCRATS ELECT OFFICERS—Heading the Salem Democratic Women's Association for the 1960-61 year are (front) Mrs. Harold G. Hannay, president, and Mrs. Dean Cranmer, secretary, and (back) Mrs. Morrison Luce, treasurer, and Mrs. John Seroka, vice president. Absent when the picture was taken was Mrs. James Caudill, delegate to the federation.

### Hanoverton OES Opens Fall Session

Grand Chapter dates were announced when Pleasant Valley Chapter, Order of the Eastern Star held its initial fall meeting recently in the Hanoverton Masonic Temple.

In addition to the dates for Grand Chapter at Cleveland, Oct. 25, 26 and 27, it was announced that a tour of the Eastern Star Home at Mount Vernon will be made on Sept. 22, as a special outing for the chapter.

Mrs. Marjorie Starkey, worthy matron, and Donald Archibald, worthy patron, presided at the meeting. A birthday party was held afterward in the dining room, honoring the worthy patron. Refreshments were served by Mrs. Dorothy Wickersham and her committee.

Wellsville Chapter members will be guests at the regular Oct. 13 meeting.

### Services Being Held At Calvary Baptist

Evangelistic services are in progress at Calvary Baptist Church, 1647 N. Ellsworth Ave., and will continue through Sunday evening. The Rev. James Godly of Greenville, Pa., is evangelist for the services which are scheduled nightly at 7:30 p.m.

Subjects to be discussed are: "Great White Throne of Judgment," "World's Last Dictator," "Seven Wonders of Hell," "Will America Come under National Judgment?" and "Christ in the Pulpit."

Jim Lehwald, son of Dr. and Mrs. C. J. Lehwald of S. Lincoln Ave., has been pledged to Sigma Alpha Phi fraternity at the University of Illinois, where he is enrolled as a freshman.

Two on a Date—the moss green brocade tunic overblouse tops the slim skirt for a glamorous, new evening look. Top news for novice dressmakers is the A-B-C ease of applying the Talon Magic-Zip. The woven sewing guideline that shows you exactly where to stitch saves time and work, assures a professional fit and finish.

This will be followed by an open meeting at 9 p.m., when 25-year and 50-year certificates will be presented by John F. Dawler of State Grange, who will be principal speaker.

New officers were elected at the last regular grange meeting. They are: Master, Gene Snyder; overseer, Lawrence Hawkins; lecturer, Agnes Clark; steward, Lloyd Clark; assistant steward, Louise McGhee; chaplain, Paul Hawkins; treasurer, Dorothy Copeland; secretary, Patty Clark; gate keeper, Steve Mansfield; Ceres, Nellie McGhee; Pomona, Martha Brunner; Flora, Anna Copeland; lady assistant steward, Pauline Mansfield; legislative agent, Edwin Copeland; and trustee for three years, Albert Hartmann.

Installation of officers will take place the evening of Sept. 23 at Bayard Grange hall.

#### SETTLES 5 TAX CASES

CLEVELAND (AP)—The Internal Revenue Service has settled five cases in which it had sought \$2,545,220 in original income and estate tax claims for \$406,094. The settlements were made as the U.S. Tax Court opened its session in the Federal Building.

A sixth case in which the government sought \$50,645 in income taxes from James R. (Jimmy) Dudley, Cleveland Indians' baseball broadcaster, also was settled. However, the amount he was told to pay was not revealed.

## Plan Golden Anniversary

Mr. and Mrs. James E. Snowberger

Mr. and Mrs. James E. Snowberger of 537 Franklin St. will celebrate their golden wedding anniversary Sunday at their home, with an open house reception from 2 to 6 p.m. Friends and relatives are invited to attend.

The former Miss Minnie F. Youtz, daughter of the late Ozias and Henrietta Youtz of Salem, and James E. Snowberger, son of the late Jeremiah and Mary Etta Snowberger of East Freedom, Pa., were married here Sept. 20, 1910, by the Rev. Herman Lang of the Baptist Church.

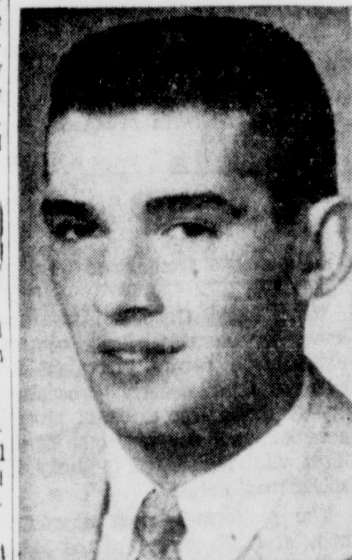

The Snowbergers have lived most of their married lives in Salem. They are the parents of five children, Frances at home, Lula Sanborn of Homeworth, Marietta Albright of Jewett, Lillie Brown of Salem and James W. of Lisbon. There are 17 grandchildren and 15 great-grandchildren.

The event is being planned by the couple's children.

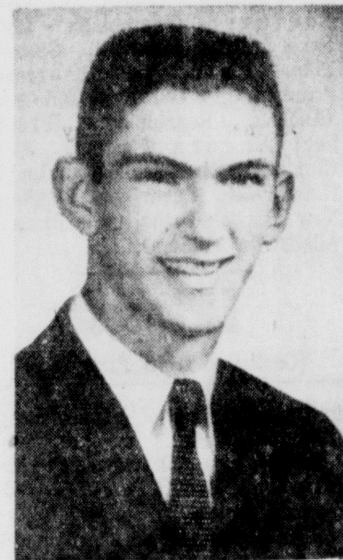

#### PLAYERS TO MEET

The Columbiana County Players Group will meet this evening at 8 in the Lisbon Village Hall.

# Ann Landers

ANSWERS YOUR PROBLEMS

Dear Ann Landers: Maybe you'll say this isn't a problem but for me it is. Despite my patient efforts to show my wife and daughter why a tube of toothpaste should be squeezed from the bottom, they insist on squeezing all tubed products in the middle, or even worse—at the top.

Not only is this wasteful but a tube squeezed at the top is a sorry-looking sight for the next one who must use it.

A personal survey which I conducted among our friends disclosed that seven out of 10 wives are squeezing tubes improperly. Will you help me in this crusade to educate people as to the practical and considerate manner in which tubed products should be squeezed? Thank you—HARRY M.

Dear Harry: Sorry, Dad, you made a poor choice in seeking a champion for this worthy cause. I'm included in the 7 per cent who are middle squeezers.

I checked with an expert on motivations to learn WHY people do this. The answer: "A pattern

established early in life is difficult to break."

It's too late for your wife and daughter. Maybe you can do something with your grandchildren (if they are under 6 years of age).

## Slave for 35 Years

Dear Ann: I've had my mother with me all of my married life—35 years. She is domineering, critical, interfering and selfish.

Mother went to visit my sister for five weeks this summer. It was the first time she had left me for more than a couple of days. I felt like a new person. I didn't have to take any medicine and my health, which I had always considered poor, was perfect. Everyone noticed the change. I was full of pep and happy as a lark.

Last week Mother returned. I'm back on pills, dead tired, and nervous. I know now that my mother's continuous presence has a devastating effect on me. I would love

to be free of her but after all these years what can I tell my family? Please help me—TRAPPED.

Dear Trapped: Your mother must be nearly 80. Tell the family you're worn out and you need their counsel and help in making other living arrangements for your mother.

Offer to share in the expense if only alternative is to put her in a rest home. After 35 years you owe apologies to no one. It's high time you threw off the chains.

## Louder Than Words

Dear Ann: You must be an old maid with lumbago or something. This letter is being written by two 13-year-old girls who used to think your advice was good but we don't any more.

You told "Blue Lady" that 13-year-olds should not be going to dances. What should they be doing—riding around in baby carriages? We've been going to dances ever since last year. One of us is going steady right now.

We think you are a narrow-minded, crummy old bat and your advice is rotten. We are not hoodlums; we are refined, well-bred young ladies and we have very fine manners. — HATES OF LANDERS.

Dear Hates: Thank you for your letter. I enjoyed the refined, well-bred way in which you expressed yourself. The advice stands.

Ann Landers will be glad to help you with your problems. Send them to her in care of The Salem News, enclosing a stamped, self-addressed envelope.

## Lisbon Social Notes

Mr. and Mrs. Charles E. Bonar of E. Chestnut St. were honored on their 50th wedding anniversary Sunday afternoon when open house was observed.

More than 150 friends and relatives attended from Warren, Akron, Massillon, Canton, Pittsburgh, Pa., Moundsville and Chinnston, Va., and Lisbon.

The refreshment table was laid in gold, overlaid with lace and centered with a floral arrangement of golden roses and pompons. Golden candles in three-branch prism drop holders of crystal were at either side. The three-tier cake on a crystal pedestal was decorated with gold rosebuds and topped with double wedding rings tied with a golden bow. Mums and greenery surrounded the punch bowl.

Those who served at the table were Mrs. Bonar's nieces, Mrs. Dorothy Sedosky and Mrs. Dollie Guzek of Moundsville and her grand-nieces, Misses Diana and Lesley Dakan of Canton.

Mrs. Frank Steele was at the door, and Mrs. Roy Palmer registered the guests.

Mrs. Russell Lodge, Mrs. Anna Nold, Mrs. Rose Riley, Mrs. Perlee Bye and Miss Helene Prudner were in charge of the kitchen and dining room.

Mr. and Mrs. Bonar received many cards and remembrances.

The Bonars, married at Moundsville Sept. 1, 1910, came to Lisbon the following day and have maintained a home here since that time, although Mr. Bonar's work caused them to travel through many states part of that time. For 24 years he was employed by the R. Thomas Co. and later was associated with the Grinnell Pipe Construction Co. of Providence, R. I.

MR. AND MRS. HARLEY CULLER of W. High St. were hosts at a reunion of the descendants of the late Jacob Culler at their home Sunday. A buffet dinner was held indoors for the 40 attending.

The Rev. Harold Applegate offered devotions. Officers for 1961 were selected, with Mrs. Donald White as president; Mrs. Harley Culler, vice president, and Mrs. Wilford Culler, secretary-treasurer.

Plans were made to hold the 1961 reunion the second Sunday of September at the same place. Persons were present from West Point, Signal, Leetonia, Salem, Danville and Lisbon. Charles Finch furnished flowers from his garden for the occasion.

THE TUNE-MASTERS orchestra from Alliance will furnish music for the second Harvest Moon dance and card party to be held at the Disabled American Veterans

Cardinals Lose As Spahn Grabs 19th

Magic Number for Bucs Is Now 11; American League Has Monday Off

By ED WILK

Now it's Dick Stuart, slamming home runs for distance, who is doing the job for the Pittsburgh Pirates, the club that always has a guy ready to perk 'em up.

Roberto Clemente, Bill Virdon, Hal Smith, Don Hoak, Bill Mazeroski, Dick Schofield, Dick Groat, Rocky Nelson—name all of the Bucs, they've all had a bat ready in their bid for Pittsburgh's first National League pennant in 33 years.

Stuart stepped in Monday night, belting his 20th home run, with a man on base, a triple and a single, as the Pirates whipped San Francisco 6-1 and officially eliminated the fifth-place Giants.

The victory also sent the Pirates into a 7 1/2-game lead over both St. Louis and Milwaukee and reduced their magic number to 11. The Braves climbed within one percentage point of the second-place Cardinals with a 2-2 decision at St. Louis as Warren Spahn won his 19th.

Thumper Performs Tonight at Stadium

CAN'T MISS — Mississippi again has one of the strongest college teams in the land. Stirring up much of the trouble is Quarterback Jake Gibbs handing the football off to George Blair, a 195-pound left halfback. Both are seniors.

BOWLING

Bob Bailey of the Julian Electric team in the men's Quaker City American League rolled the high individual single game at Timberlanes Monday night. He chalked up a 221 score.

The Miller's High Life Club carded the best series, a 2516 for three games. Dean Myers of Miller's rolled a 554 series to set the pace for his team. The high team single game posted last night, a 900, was turned in by Youngstown Kitchens.

Curt Hippley of Bell PIB and Don McCoy of Srouss-Hirschberg's each turned in scores of 201 to place bowlers in the men's Quaker City National League last night. Hippley's 555 for three games was also high.

Bell PIB turned in the high three game score in the loop, 2297 and also recorded the team single high game, 834.

Pirates Break Own Attendance Record

PITTSBURGH (AP) — The National League-leading Pittsburgh Pirates have broken their all-time attendance record.

A total of 21,261 fans attended the Pirates-San Francisco game Monday night at Forbes Field, pushing Pittsburgh's home attendance to 1,521,251 for the year.

The old record was 1,517,021 set in 1948 when the club finished fourth.

Pittsburgh has seven scheduled games remaining at Forbes Field this year.

Rookie Don Fleming Looks Like Browns' Prize Catch

CLEVELAND (AP) — When Warren Lahr and Kenny Konz retired and Junior Wren was traded to Dallas the young defensive backfield appeared to be a problem spot for the Cleveland Browns.

But so far the corner backs and safety men have held up remarkably well. It may even be one of the Browns' strong points. One of the outstanding surprises has been Don Fleming, a rookie from Florida.

Fleming has been playing as left safety man in the exhibition games, but recently Coach Paul Brown has been working him as a corner back in practice sessions.

"We want to get him used to both positions so we are able to do some shifting in case of injuries," Brown explained. "Don is smart. He learns fast. We want him to be ready to play either place."

Fleming is a 6-foot, 190-pounder. He came to the Browns through a recommendation by his Florida buddy, Bernie Parrish, a quick-witted, hard-tackling defensive back himself. Parrish and Fleming worked together going over the Browns' system this winter in Florida.

Fleming was born in Bellaire, Ohio and played baseball and basketball at nearby Shadyside.

Two Browns will be dropped from the squad today as the team cuts down to 38 players for its final exhibition game, against the Detroit Lions at Cleveland Stadium Saturday night.

Nine More Athletes Named To Football Hall of Fame

NEW BRUNSWICK, N. J. (AP) — Nine athletes, including a player-coach combination from Columbia University, have been named to footballs Hall of Fame.

Chester Laroch, president of the National Football Foundation, announced the names of the new members. The seven living inductees will be honored at the foundation's third annual dinner in New York Dec. 6 as will the memory of the two who are deceased.

Lou Little, retired coach, and Sid Luckman, one of the earliest great passing quarterbacks, were the two men from Columbia. Little was an outstanding tackle at Penn in 1919. Luckman was Columbia's quarterback from 1936 to 1938. Little was his coach.

Fred (Buzz) Borries, Navy All-America halfback in 1934; Johnny Lujack, Notre Dame All-America quarterback in 1943, 1946-47; Charles (Ki) Aldrich, All-America center at Texas Christian in 1938; Gordon Locke, All-America fullback at Iowa in 1922; and Clyde (Bulldog) Turner, Hardin-Simmons' great center of 1937-39, are the other living inductees.

Also named were the late Charles Gelbert, All-America end at Penn, 194-96, and the late Neil Snow, University of Michigan end and fullback, 1898-1901.

A total of 181 men, including 113 players and 4 coaches, has been named to the Hall of Fame which will be housed in a building to be erected on the campus of Rutgers in New Brunswick, where football was born.

Purdue U. Grid Squad Dominated by Ohioans

By CHARLES CHAMBERLAIN Associated Press Sports Writer

LAFAYETTE, Ind. (AP)—Many Big Ten coaches look at Purdue as the darkhorse of the 1960 football championship chase.

The Boilermakers, who shared third place last year with Illinois on a 2-1 record, have 19 lettermen in a squad that includes 3 sophomores, 24 juniors and 14 seniors.

"We have 11 sophomores capable of making our first two teams," says Coach Jack Mollenkopf, preparing for the season opener Sept. 24 at home against UCL. "We would be happy to win half our games. I think we'll have a good first team. We'll need a lot of luck to be in the first division."

Except at tackle and quarterback, Purdue is thin on experience at other positions.

Five veterans hold forth at tackle — Co-Capt. Jerry Beabout, Al Mincevich, Larry Bowie, Dale Rems, Pat Russ and Ron Skufca. Beabout is from Mansfield, Ohio; Russ from Cincinnati and Skufca from Cleveland.

The quarterbacks are southpaw passer Maury Guttman and another senior, Bernie Allen of East Liverpool, Ohio.

There are problems at the other backfield spots.

Only two seniors are available at halfback — Jim Tiller, 151-pound breakaway runner from Fremont, Ohio, and Donn Mayoras, steady

National Tennis Finals Halted Again by Rain

FOREST HILLS, N. Y. (AP)—Neale Fraser will meet Rod Laver and Maria Bueno of Brazil will play Darlene Hard of Montebello, Calif., in the men's and women's finals of the National Tennis Championships on Saturday — if it doesn't rain.

Finals originally were slated for Sunday, but rain caused the program to be put back to Monday. Then along came Hurricane Donna and the West Side Tennis Club was all but flooded.

SLO-PITCH GAME BILLED

B & W Research and Scott's Candy will meet in a playoff game at 7 p.m. Wednesday at Kelley Field to decide second place in the Salem Slo-Pitch Softball League. Both teams wound up regular season play with 7-3 marks. Salem Stamping is the league champion.

Fight Results

By The Associated Press

Sydney, Australia — Freddie Little, 157, New Orleans, knocked out Bill Stanley, 160, Sydney, 2.

New York — Fight between Candy McFarland, Philadelphia, and Jose Gonzalez, Cuba, postponed, due to Hurricane Donna.

NICKLAUS WINS 1st ROUND

Defending champion Jack Nicklaus, 20-year-old Ohio State pharmacy student, rallied to defeat John Donohue 1-up in the opening round of the National Amateur golf championship at St. Louis Monday.

TOURNEY GAMES RAINED OUT

The Salem Invitational Softball games scheduled for Kelley Field tonight have been postponed because of rain. Action will resume in the tourney on Thursday night.

MARC New Cars Billed at Canfield Speedway Sunday

Sunday afternoon new car racing — the first to be staged at Canfield Speedway in several years — is expected to draw a record crowd and top entry list.

The national championship MARC new cars race for 1959 and 1960 models will boast many of the top drivers in the nation, including 1958-59 MARC champ, Nelson Stacy of Cincinnati, who will be piloting a 1960 Ford.

The flood of entries has boosted the field to nearly 40 cars. They will begin time trials Sunday at 1 p.m. and at least 33 of the top qualifiers will start the long 250-lap grind around the big track at 2:30 p.m.

Mike Klapak of Warren, winner of the Langhorne, Pa., 500 mile twice, will have his 1959 Ford in the lineup.

The field also includes Iggy Katona of Lambertville, Mich., who won the Dayton 500 recently. Katona is battling for the MAC national title in his 1960 Ford, a crown he held for three years.

Canfield will have racing on Saturday night, too. Some 25 to 30 late models will provide the competition in the night-race card. Bob James, Bill Forney, Ken Lowe, Jim Case, Dave Hale, Ron Krejci, Nook Walters, Mono Goliath Wimpy May and Don Arnold are just a few of the top drivers. Race time Saturday is 8:30 p.m.

## Salineville Man's Probation Continued

LISBON — Gerald E. Raffle, 23, of Salineville, received a continuance of his probation Monday from Common Pleas Judge Raymond S. Buzzard after a hearing on probation violation.

Raffle was cited by Probation Officer Richard Rose in August after he left the county in violation of his probation. He was picked up at Lake George, N.Y., at the request of county authorities.

He originally pleaded guilty to auto theft and operating a motor vehicle without the owner's consent.

**HOW TO HAVE THE LOWEST ELECTRIC BILL IN TOWN**

A few pointers to help give you the most miserable, uncomfortable, inconvenient time of your life.

**1** Don't use your refrigerator or freezer. After all, you can run out to the store several times a day to get fresh food. It may take hours of time, but think of the pennies you'll save each day.

**2** Don't run any small appliances like the toaster, mixer, vacuum cleaner, hair dryer, etc. Do things the old-fashioned, laborious way, and spend only effort and time!

**3** Don't use an electric fan or air conditioner. What's the discomfort of heat, humidity, sleeplessness and ragged temper compared to the few dollars you'll save in a whole summer!

**4** Don't let anyone in the family use the TV, radio or record player. You don't need entertainment or fun—in fact, if you adopt steps 1 through 3, you won't have the energy for it!

WOULD IT BE WORTH IT? ... when electricity is still just about your best household bargain?

**Columbiana Jaycees To Greet New Members**

COLUMBIANA—Seven new members will be pinned by the president, Wibor Beck, at the monthly dinner meeting of the Junior Chamber of Commerce on Wednesday at 6:30 p.m. at Heck's Restaurant.

The new members are Rich Berryman, Sam Ferguson, George Fisher, Jack Hoey, George Hudson,

Douglas Mann and Dick Perkins. Guest speaker for the session will be James Bodnar of McDonald, a national director for the Jaycee organization.

A SECOND POSTPONEMENT has been announced for the initial fall meeting of the Women's Society of the Methodist Church. The meeting was set up for Wednesday of this week after being postponed because of the street fair, but will not be held until Wednesday, Oct. 12, because of the death of Rev. A. R. Brown, retired Methodist minister.

The program for the assembly will be a panel discussion on the topic, "The Delimma of the Young American Mother." Mrs. Raymond Mackal will serve as moderator. The panel will include Mrs. Lee Bricker and Mrs. Robert Williams.

PHILO CLASS of the Methodist Church will hold its opening meeting of the season Thursday at 8 p.m. at the home of Mrs. Martha Karcher of 47 S. Cross St.

The new slate of officers, headed by Miss Cathryn Eissenwein, will have charge of the meeting. Printed programs will be passed out and members will start discussion of plans for the year's activities.

The committee for the meeting includes Mrs. Dorothy Murphy, Mrs. Thelma Anderson and Mrs. Corinne Mackal. Mrs. Anderson will have charge of the devotional service.

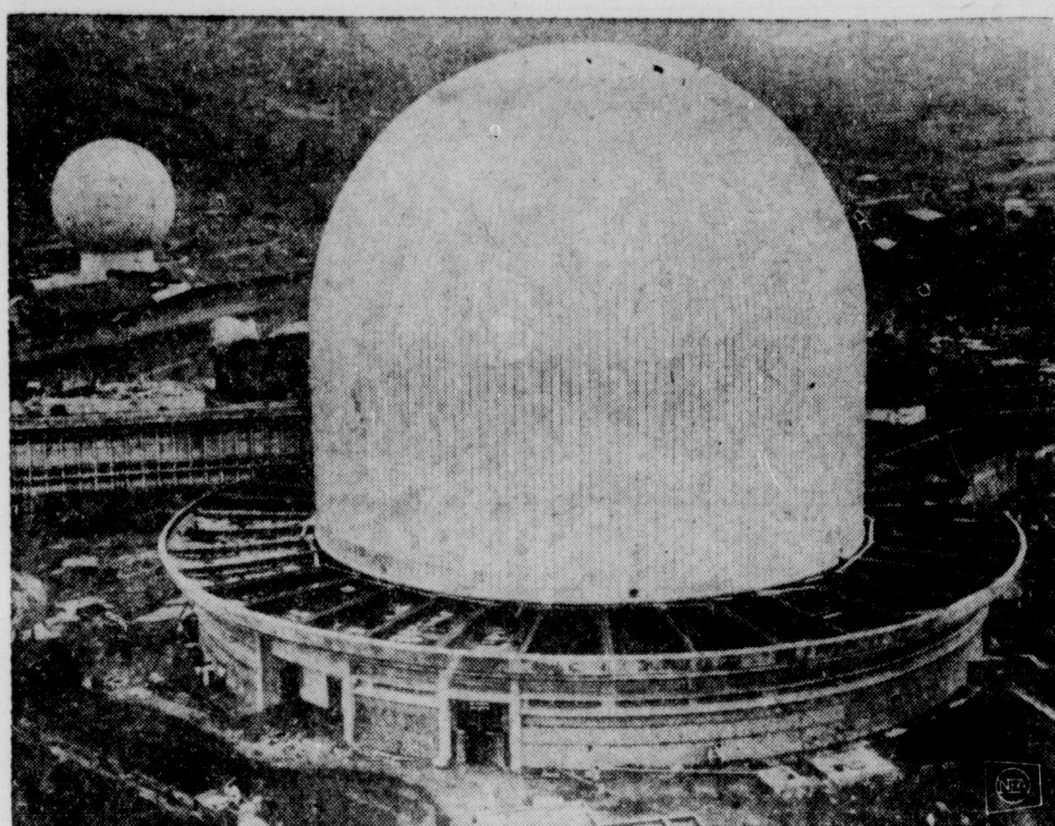

Dr. Louis A. Cosentino, local chiropractor, has purchased a two-story frame building at 21 N. Main St. which he will remodel, converting the first floor to a new location for his professional offices. Another business office also will be available on the ground floor. Apartment will be maintained on the second floor.

The building was purchased from Miss Leila Beard whose uncle, W. R. Knowles, a widely-known harness maker at the turn of the century, erected the original structure. Dr. Cosentino has had offices in the Citizens Bank Building for the last 13 years.

THE 55TH ANNUAL Gleckler reunion was held Sunday at Mill Pick Park near New Waterford, with 50 persons attending.

It was voted to retain the 1960 officers, who are: President, Charles Fisher; secretary and treasurer, Mrs. Nell Robb and historian Mrs. Erma Wilson. William Gleckler is honorary president.

Mr. and Mrs. Harold Holloway, Mr. and Mrs. Ray Fisher, Mr. and Mrs. Dave Firestone, Mr. and Mrs. Clyde Biddison and Mr. and Mrs. Ed Robb were the committee for arrangements and tables. Guests were present from Youngstown,

INDIA: ASIA'S LEADING NUCLEAR POWER?—Atomic shapes rise at Trombay, India, where a nuclear research center covers 2,000 acres near Bombay. Steel shell in foreground—133 feet high and 120 feet in diameter—covers the Canada-India reactor for which Canada supplied equipment and foreign exchange. Ball-shaped structure in background is an 850,000-gallon water tank of pre-stressed concrete. It is designed to supply emergency cooling water to the reactor. The 20-million-dollar reactor, with a 40,000-kilowatt capacity, is the country's largest. India claims to have the ability to produce nuclear weapons but insists it won't.

Salem, Canfield, Boardman, East Palestine and Columbiana.

The Morning Circle of the Presbyterian Church will meet at 9:30 a.m. Wednesday at the church. Mrs. Ruth Hepp will have devotion. Mrs. Marge Roberts and Mrs. Lois Weyman will be hostesses.

Rev. and Mr. Percy Clark and son Don of Akron were guests Sunday of Mrs. Clark's sister, Katie Miller.

Charles Donbar was a guest Sunday in the home of his daughter and husband, Mr. and Mrs. Frank McGinty of Youngstown.

Sunday dinner guests of Erma Wilson were Mr. and Mrs. G. Ernest Koch and daughter Myrtle. Mrs. George Pike of Lisbon was a guest of Mrs. Ada Rifendeifer on Saturday.

The board of Christian Education of the Grace United Church of Christ will meet this evening. Ellsworth Miller who had surgery on his foot at Salem City Hospital, is recovering at home.

Mrs. Wilmer Verian, Bertha Bierman and Mrs. George Rifendeifer were recent callers on Mrs. Jessie Rupert.

Mr. and Mrs. Luther Donbar attended open house Sunday honoring Mr. and Mrs. H. Thomson of East Liverpool, on their 50th wedding anniversary. Mrs. Thompson and Mrs. Donbar are sisters.

The Welcome Wagon Newcomers Club will hold its regular meeting this evening at 8 at the American Legion Home.

Installation of officers and graduation will be featured.

MAN CRUSHED TO DEATH (CLEVELAND AP) — Harry Tolen, 62, of Cleveland, was crushed to death when a load of heavy steel beams shifted at the Mooney Iron Works where he was employed. He died after surgery Monday night.

Alaskans, in 1958, averaged 581 telephone calls per person, highest in the world. Hawaii, with 522 calls, came next, followed by Canada with 497, the United States with 460 and Iceland with 452, in turn.
